

COMMUNITY ASSET AND LIABILITY

Insurance for property owned by an Aboriginal community, and property the community has an insurable interest in.

This program covers commercial and residential buildings, contractors equipment, water/waste water treatments plants, vehicles, schools, businesses, and other operations both on or off the designated reserve lands.

All operations of the Nation can be covered under the program including all governing bodies, administration, health and daycare facilities including businesses owned by the Nation. As well, coverage extends to anyone working for or on behalf of the community and any business or operation the community owns or controls including managers, employees, day care workers, contract employees, and volunteers who are acting within the scope of their duties on the community's behalf.

Every client will also receive an on-site survey and risk management report that addresses the community's fire and emergency preparedness.

Standard and optional coverage includes:

- » Property insurance
- » Equipment breakdown (incl. boiler and machinery)
- » Crime insurance
- » Commercial general liability
- » Umbrella liability
- » Environmental impairment liability
- » Automobile liability
- » Accidental death and dismemberment
- » Directors and officers liability
- » Legal defence insurance
- » Tenants insurance
