

HOMEOWNER INSURANCE PROGRAM

Your home. As the saying goes, there's no other place quite like it. That's why choosing the right insurer is such an important decision.

You're not just protecting your property; you're protecting a lifetime of memories with the people you love. No matter what home looks like to you, we've got you covered.

We offer protection for:

- » Homes and condominiums
- » Tenants insurance
- » Seasonal dwellings
- » Mobile homes
- » Pleasure crafts and recreational trailers
- » Personal items/contents
- » Identity theft
- » Personal liability including umbrella

It's our job to make sure you get the best price possible. We'll review our extensive list of discounts to ensure you receive the reductions you're entitled to.

You can also save more by insuring your home and automobile together, whether you own, rent, or even if you have a boat or cottage.

High risk residential program

We recognize the need to have insurance solutions for all of our clients, including those who may not qualify for property insurance within typical insurance markets. That's why we have partnered with insurers who have developed a unique High Risk Residential Program.
